## GENERAL INFORMATION

### **PRELIMINARY INFORMATION: PLEASE READ CAREFULLY BEFORE PROCEEDING**

The questions asked on the following pages will enable us to determine your student's eligibility to attend school in this district in accordance with New Jersey law. *Please be aware that N.J.S.A. 18A:38-1 and N.J.A.C. 6A:28-2 specify that a free public education will be provided to any student between the ages of 5 and 20 who is:*

- Domiciled in the district, i.e., living with a parent/guardian whose permanent home is located within the district. A home is permanent when the parent/guardian intends to return to it when absent and has no present intent of moving from it, notwithstanding the existence of homes or residences elsewhere.
- Living with a person, other than the parent/guardian, who is domiciled in the district and is supporting the student without compensation, as if the student were his or her own child, because the parent/guardian cannot support the child due to family or economic hardship.
- Living with a person domiciled in the district, other than the parent/guardian, where the parent/guardian is a member of the New Jersey National Guard or the reserve component of the U.S. armed forces and has been ordered into active military service in the U.S. armed forces in time of war or national emergency.
- Living with a parent/guardian who is temporarily residing in the district.

- Residing on federal property within the State, pursuant to *N.J.S.A. 18A:38-7.7 et seq.*

### **Note that the following do not affect a student's eligibility to enroll in school:**

- Immigration/visa status, except for students holding or seeking a visa (F-1) issued specifically for the purpose of limited study on a tuition basis in a United States public secondary school.

- Absence of student medical information, although actual attendance at school may be deferred as necessary in compliance with rules regarding immunization of students, *N.J.A.C. 8:57-4.1 et seq.*
- Absence of a student's prior educational record, although the initial educational placement of the student may be subject to revision upon receipt of records or further assessment by the district.

## **General Information (continued)**

**The following forms of documentation may demonstrate a student's eligibility for enrollment in the district. Particular documentation necessary to demonstrate eligibility under specific provisions in law will be indicated in the appropriate section of the registration form.**

- Any business record or document issued by a governmental entity.
- Any other form of documentation relevant to demonstrating entitlement to attend school.

**The totality of information and documentation you offer will be considered in evaluating an application, and, unless expressly required by law, the student will not be denied enrollment based on your inability to provide certain form(s) of documentation where other acceptable evidence is presented.**

**You *will not be asked* for any information or document protected from disclosure by law or pertaining to criteria, which are not legitimate bases for determining eligibility to attend school. You may *voluntarily disclose* any document or information you believe will help establish that the student meets the requirements of law for entitlement to attend school in the district, but we *may not, directly or indirectly, require, or request:***

- Income tax returns;
- Documentation or information relating to citizenship or immigration/visa status, unless the student holds or is applying for an F-1 visa;
- Documentation or information relating to compliance with local housing ordinances or conditions of tenancy;
- Social security numbers.

**Please be aware that any initial determination of the student's eligibility to attend school in this district is subject to more thorough review and subsequent re-evaluation, and that tuition may be assessed in the event that an initially admitted student is later found ineligible. **TELECOMMUNICATIONS / TECHNOLOGY**

**GLEN ROCK SCHOOL DISTRICT AGREEMENT WITH PARENTS/GUARDIANS AND PUPILS**  
**FOR USE OF THE DISTRICT'S TELECOMMUNICATIONS SYSTEM**

**TO THE PARENTS/GUARDIANS AND PUPILS**

Internet access is now available to pupils and teachers in the Glen Rock School District via the district's telecommunications system. We are very pleased to bring this access to Glen Rock and believe the Internet offers vast, diverse, and unique resources to both pupils and teachers. Our goal in providing this service to teachers and pupils is to promote personal and academic growth and excellence in schools by facilitating resource sharing, innovation, and communication.

The use of a telecommunications system and the Internet is a privilege, increasingly essential to learning that offers new freedoms and demands new responsibilities. However, you must be aware that along with access to computers and people all over the world also comes the availability of material that is not of educational value in the context of the school setting. We are making every effort to prevent access to inappropriate material by using software designed to prohibit access to sites, which do not have educational value, but it is impossible to control access to all materials. Nonetheless, we firmly believe that the valuable information and interaction available on the Internet far outweighs the possibility that users may find material not consistent with the educational goals of the district.

The terms and conditions upon which your child will be granted the right to use the district's telecommunications system and the Internet are set forth in the Glen Rock Board of Education Technology Policy and Regulation 6142.10, a copy of which are attached to this Agreement and incorporated herein by reference. Please be mindful of the fact that the use of the district's telecommunications system and the Internet is a privilege, not a right, and a pupil's failure to comply with all of the terms of this Agreement may result in a revocation or suspension of those privileges, may subject the pupil to a suspension/expulsion hearing before the Glen Rock Board of Education and/or may result in criminal and/or civil penalties.

**PUPIL AGREEMENT**

I have read and I understand the Glen Rock Board of Education Technology Policy and Regulation 6142.10 and this Agreement. By signing this Agreement, I hereby agree to abide by their terms. Should I violate the Agreement, I understand my access privileges may be revoked, school disciplinary action may be taken against me and/or criminal and civil appropriate legal action may be taken, and I accept all financial and legal liabilities that may result.

I release the Glen Rock Board of Education, its officers, employees, agents, servants, representatives and all organizations and individuals related to the Glen Rock School District telecommunications system from any and all liability or damages that may result from my use of the district's telecommunications system and the Internet. I specifically agree to indemnify and hold the Glen Rock Board of Education, its officers, employees, agents, servants and representatives harmless for any actions, claims, costs, damages or losses, including, but not limited to attorneys' fees, incurred by the Glen Rock Board of Education relating to, or arising out of my use of the district's telecommunications system and the Internet or any breach of this Agreement or the Glen Rock Board of Education's technology policy and regulation by me.

**PARENT OR GUARDIAN AGREEMENT**

I, *(print name)* \_\_\_\_\_, as the parent/guardian of *(print child's name)* \_\_\_\_\_, and conditions of this Agreement regarding the use of the district's telecommunications system and the Internet and have read the Glen Rock School District Technology Policy and Regulation 6142.10. However, I also recognize that some materials on the district's telecommunications system and/or the Internet may be controversial and objectionable and that it is impossible for the Glen Rock School District to restrict access to all controversial and objectionable materials. I will not hold the Glen Rock School District responsible for any materials, or the accuracy or quality thereof, acquired or viewed on this network by my child.

Further, revocation or suspension of my child's privilege to access the network and the Internet and the imposition of school discipline, criminal penalties, and/or civil penalties, and I accept all financial and legal liabilities resulting therefrom.

I release the Glen Rock Board of Education, its officers, employees, agents, servants, representatives and all organizations and individuals related to the Glen Rock School District's telecommunications system from any and all liability or damages that may result from my child's use of the district's telecommunications system and the Internet. ## REQUEST FOR RELEASE OF RECORDS

### TO WHOM IT MAY CONCERN:

\_\_\_\_\_ has registered in our school in the \_\_\_\_\_ grade. Will you please send us a transcript of work completed up to the time of withdrawal? We would appreciate receiving **test records, student disciplinary record(s), personality ratings, State Identification Number, Health Forms – including Immunization Record**, and any other pertinent information that will assist us in placing this student in the appropriate grade and course. It is very important that we also receive individual student GEPA, HSPA, and NJ-ASK reports for students transferring from schools in the State of New Jersey.

Legislation (*The New Jersey Law, P.L. 2002, Chapter 63, Senate No. 256*) signed into law on August 6, 2002 requires the transfer of student disciplinary records. When a student transfers from one public school district in New Jersey to another public school district in New Jersey, the district of last attendance must provide all information in the student's records pertaining to disciplinary actions taken by the district to the receiving district. The district of attendance must also advise the receiving district if it has received any information from the courts concerning juvenile offenses, but not disclose the actual information received. Thus alerted, the receiving district can then contact the relevant juvenile and court authorities for this information. Due to confidentiality restrictions, the district of last attendance cannot release this juvenile offense information directly to the new district.

Thank you for your cooperation.

Very truly yours,

Administrative Assistant  
Glen Rock Guidance Office
